"BLOODY SHIRT"

It is noon in Plovdiv, Rumania.

The streets are jammed with peasants and factory workers watching a communist parade.

But it is an odd crowd. They are not smiling. They are not cheering.

The communist marchers carry huge banners with red slogans. They are chanting.

Still there is no reaction from the surly crowd. There is little sympathy for the reds. Here and there an agitator in the crowd tries to stir up some enthusiasm. But it is no use. The people don't like the reds. The crowd stands in silence. A whistle blows in the distance and a few children shout or cry. Otherwise, it is silent.

Suddenly a shot rings out across the public square! The communist leader of the parade falls, gushing blood. He has been murdered by a cowardly sniper, -from ambush!

One of the communist leaders tears off his white shirt, dips it in the blood of the victim and ties it to a stick. He waves it in the air and shouts to the crowd his defiance against the political, anti-communist police!

Now the crowd is stirred to its soul. The brutal murder of the red leader by a skulking anti-communist, -from ambush, -and the sight of the hot, red blood on the shirt strikes deep to the heart of the people! Especially the bloody shirt ignites a nameless, flaming instinct in the innocent breasts of the masses. They are WILD!

Now the crowd is no longer silent. Men and women howl for the blood of the anti-communist who shot the red leader. The mob surges forward into the street. From their midst spring ready-made group leaders to form the mob into a terrible living thing which moves, like an army, toward the killer's headquarters, the police station!

They break out into rythmic chants against the anti-communist police. One, two, three, four! Over and over and over they chant their slogans with increasing ferocity. They are no longer individuals and they are no longer consciously thinking. They have become animal-like members of a typical communist-led MASS, a MOB, marching in the streets. The officials and police of the town are terrified.

On a rooftop a block from the scene of the shooting, a hard-faced man dis-assembles a high-powered rifle, carefully, slowly, precisely. He has done this before. The parts of the rifle are packed in a suitcase and the man walks calmly down to the street. He winds through the twisted alleys and turns into a little door to a cellar. Inside, he is greeted by a man in the robes of a priest.

"It is done, comrade", says the man with the suitcase and rifle, laconicly.

"Excellent!" exclaims the priest, "the Party will not forget! Now let us join our comrades in the great events. I have yet to speak in the square against the anti-communists who did this bloody deed!" --and he winks at the rifleman.

The man with the suitcase stares at the floor and doesn't answer.

"What is wrong, Comrade?" asks the Priest, -a hard note in his voice.

"He was my friend."

"Be glad for him, then. His death has already united the people behind us! Hear how they sing and chant! We have smashed the Police!"

"Yes, I know", murmers the rifleman, without looking up. "It is just that he was my friend."

"He died in our Holy Cause! We must all be ready to make the same sacrifice!"

"It is the truth!" sighs the killer, and starts out the door with the "Priest" to attend the communist demonstration against the cruel anti-communist police.

It Has Happened Before

This is no short-story or fairy tale.

It has HAPPENED in almost EVERY country seized by the reds.

This same scene has been enacted over and over in every nation plagued by the criminal, communist conspiracy. Intelligence agencies of every country are familiar with what they call the "BLOODY SHIRT" routine in every red revolution, -from China to Chile.

The characters and times are different, but the act and the results are always the same.

Whenever the reds want to win public sympathy for one of their causes QUICKLY, they use the "Bloody Shirt" act.

It Works Every Time

It works every time because most people are just too decent and honest to imagine the scientific, ruthless, calculating EVIL of the Communists in their drive toward world domination. They have no respect for the robes of a Priest, the skirts of a woman, the majesty of the law, -or even the lives of their own comrades. All must serve ONE END, the shackling of every human being on this earth in the chains of communist slavery. No deed is too foul, no impersonation too far-fetched. The reds will be "preachers", "government officials", "priests", -and even "anti-communists" to achieve their filthy, immoral ends.

What has this "Bloody Shirt" act of the Communists to do with YOU? -with Americans TODAY? Could they pull this kind of stuff right here in our own America and get away with it?

YES! They are DOING it! Right NOW!

A White Man?

They just pulled the "Bloody Shirt" act in Birmingham, Alabama. And in spite of overwhelming evidence that it was NOT a White Segregationist who blew up the Birmingham church, but a BLACK COMMUNIST, -everybody, including even the Whites and Segregationists, is PRESUMING the church was bombed by White Racists!

Reds Need Negroes to Win

The reds NEVER win a majority of the people in countries they seize. They must always find a dissatisfied MINORITY, inflame it and incite it until it becomes a wild, death-defying mob of unthinking animals which can then be hurled at the jugular vein of society. Since 1904, the Communist Party in America has been teaching that their "mass movement" juggernaut in this country must be and will be composed mostly of NEGROES! The reds have been working for more than fifty years to incite the black minority against the huge but apathetic White majority.

The "Worker", the "Militant" and the "Peoples' Daily World" on the west coast, all the red papers in America, have been ceaselessly agitating negroes against the White "oppressors" for fifty years. They have made no secret of the fact that their victory depended on the successful incitement of raging NEGRO MASSES. They won Paul Robeson and tens of thousands of others, especially Negro "intellectuals", -mostly in the twenties and thirties. MOST OF THESE RED NEGROES, like W. E. B. DuBois, WERE ORDERED NOT TO BECOME OPEN COMMUNISTS!

Reds Use Negro Fronts

Instead, they were to work through "negro fronts". W. E. B. DuBois was one of the original five founders of the NAACP. He never admitted his communist membership until he was over 80 years of age. By then his work as a secret communist in founding the NAACP was over. After many years, the Justice Department had finally been FORCED by Congress to take legal action against the Communists under the McCarran Act, so DuBois, the ancient man, suddenly "surrendered" himself to be "persecuted". Then he promptly fled to Ghana, denounced his citizenship and the America which was so good to him, and became an open Communist Party Member.

But DuBois was not the ONLY secret red operating in the NAACP, CORE, SNCC, SCLC and all the rest of the red-black apparatus.

The man who led the "March on Washington", A Phillip Randolph was a member of the Communist National Lawyer's Guild and is listed at the top of page 122 of the U. S. Government's "Guide to Subversive Organizations and Publications". The number two man of the "March", Bayard Rustin, was a member of the Young Communist League, has a red-front record a yard long, refused to fight for his Country in World War II and was a draft dodger, is a convicted felon, and a self-confessed SEXUAL PERVERT. --Typical material for such a "leader". Martin Luther King's record of communist associations and affiliations is simply STAGGERING, and we devoted 12 full pages of one whole Rockwell Report to just the DOCUMENTS proving his red record. Almost all of King's aides and helpers have even WORSE records as reds or red-fronters. Some of them have been identified as actual PARTY MEMBERS, (O'Dell, for instance). King's wife, Coretta, actually attended the Moscow sponsored Women Strike For Peace Congress as a delegate of that awful organization!

The planned speech of John Lewis, head of the Student "non-violent" Coordinating Committee, was SO RED and SO INFLAMATORY that it would have completely given the game away on August 28th, -so the more sophisticated pinkoes and reds cut out some of the more flagrant communist-type threats and phraseology.

There is PLENTY of evidence to convince

anybody but a rotten politician who will do anything for the black vote, that what the Negroes openly call their "revolution" is a RED revolution. It is part and parcel of the fifty-year-old communist plan to organize an inflamed mass of hysterical blacks to hurl at the jugular vein of America in their communist "moment of truth".

Whites Help Red Act

Knowing this, it is difficult for me to see how any "leader" of the White "resistance", in the South or anyplace else, can fail to see that the BIRMINGHAM BOMBING HAS ALL THE CLASSIC HALLMARKS OF THE COMMUNIST BLOODY-SHIRT TECHNIQUE!

Yet not ONE White leader has pointed out that NOBODY KNOWS FOR SURE THAT THE BOMBER WAS A RACIST, -OR EVEN THAT HE WAS WHITE!

Nevertheless, the panicked Whites, from Governor Wallace on down, have done nothing but HELP the Reds in their filthy "bloody-shirt" act by reinforcing the "hate-bombing" idea, --and by then APOLOGIZING and DENOUNCING it. The TV and press is full of the moans and groans of OUR SIDE about thedirty "hate-bomber", to add to the wails and howls of the OTHER SIDE, too.

I feel sorry for these five little darkey girls. They were indeed innocent. The fiend who blew them to bloody chunks for political purposes does deserve the strongest condemnation and punishment.

BUT THE EVIDENCE IS OVERWHELMING THAT IT WAS A BLACK FIEND, --A BLACK FIEND WORKING FOR THE COMMUNISTS!

Consider!

The church is in the "hottest", anti-White section of Birmingham. For a White Man to get in there, bomb that church on a bright Sunday morning and then get back OUT again without being seen would be a real magic trick. The FBI now knows for sure that the bomb was NOT thrown. It was carefully PLACED inside the church! Does this sound like an "INSIDE" job?

Certainly!

By a WHITE MAN?

Certainly NOT!

Only a NEGRO could have had a reasonable chance of pulling off the planting of that bomb in that especially "hot" church without being seen.

Now take a look at the situation.

Before the bombing, integration of the schools was not going well. They got the Negroes IN, -but then the Whites went OUT. Segregationist organizations, particularly the NSRP, were having a field-day and gaining members and money faster and faster. It appeared likely that a White boycott of the schools would be effective and damaging to the communist integration plans.

The Birmingham leaders were making gestures of "token" integration which was taking the drive and steam out of the black mobs incited by the red agitators. Negroes were "settling down" and the plotters knew very well that White resistance was so deep and massive that they would NEVER get REAL integration in Birmingham by any ordinary methods. Even Connors and his dogs were gone, and the Jews on the "citizens committees" were making "progress". All the "marches" in the world were no longer effective.

Something ELSE was needed!

BANG!

The reds were in precisely the situation of the Communist paraders at the beginning of this Report, -the situation of Communists all over the world who have, for fifty years, used the "BLOODY SHIRT" act to put them "over the top" emotionally with the mob, when their usual methods have begun to fail.

By a strange coincidence, there was a Sunday School class of little girls studying a lesson on love and "Forgiveness", when a bomb went off right underneath them.

BANG!

Reds Get What They Want

In the flash of a huge charge of dynamite, the THINKING of millions and millions of Americans suddenly stopped and was submerged in a horrified emotional outburst! Every normal person who was told the news was REVOLTED, SHOCKED, HORRIFIED, ANGRY, --and even filled with HATRED!

Who couldhelp but hate the filthy, dirty, rotten, cowardly bomber? -of little girls? -and since they were COLORED girls, the bomber, of course, was a despicable WHITE RACIST, a "hate-bomber"!

I did not hear a peep from ANYBODY about the fact that there was not ONE SHRED OF EVIDENCE THAT THE BOMBER WAS WHITE!

For ten days, now, I have heard nothing but denunciations of the cowardly White, Segregationists who did this dastardly deed. White Birmingham, never THINKING to ask how anybody KNEW the bomber was a White Man, has done nothing but beat its breast in shame and fill the air with the most abject, cringing apologies.

The race-mixing, left-wing press has cooperated with the "bloody shirt" operators by creating a NATIONAL LYNCH MOB, --the very thing they inveigh against so piously 24 hours a day! A lynch mob PRESUMES the guilt of the "accused" and hangs him. Here we don't even HAVE an accused. Nobody, so far, but the bomber himself, -(and the Communist Party) knows who did it. Yet the anti-lynching press and the civil-libertarians are publicly LYNCHING THE WHOLE SOUTH AND THE WHOLE WHITE RACIST MOVEMENT.

And the "victim" is COOPERATING!

"All Whites Guilty"

With predictable precision, Birmingham "liberals" are rising to the occasion to rub ashes in their hair and groan in an agony of self-accusation, (over national TV hookups) "We are ALL guilty! We ALL bombed that church and those little girls! Shame on us dirty, White People! Every one of us who ever used the word 'nigger' did it! Every person who laughed at a racial joke did it! We are ALL bombers!"

In other words, since the bombing, any man, woman or child who dares to question the communist-led black revolution has now become a "BOMBER"! --a killer, a murderer, a cowardly, skulking ambusher of innocent little children!

It was not those little black girls who got bombed to death, -it was all RESISTANCE to the communists and race-mixers! At the cost of 4 innocent little girls, they have the Whites on the run, they have held huge "mourning" rallies all over the Nation, they have won endless sympathy even from segregationsists, they have the White leaders in Birmingham INDICTED and their operation just about closed down.

Think! Think! Think!

Let's take a look at the bombing with our BRAINS, instead of listening to the emotional screams from all sides.

There have been more than FORTY bombings in Birmingham. But not a single person was killed in ANY of the forty.

There can be no doubt that some of them, -probably most of them, were the work of misguided White zealots who imagine they are somehow helping the White Cause with these bombs.

BUT NOT ONE OF THESE ZEALOTS WANTED TO RISK EXECUTION AS A MURDERER BY PLANTING THE BOMBS WHERE THEY COULD KILL SOMEBODY! All of them blew holes in sidewalks and walls, -just like the one last night, as I write this (Sept. 25, 1963)

Suddenly, we are supposed to believe that a White Racist, so bursting with hatred of the Negroes that he is willing to risk the CHAIR to kill some of them, takes the AWFUL risks of sneaking into the HOTTEST black area in Birmingham on a Sunday morning, ----to BOMB A BUNCH OF LITTTLE GIRLS!!!!!

If YOU were consumed with a desire to risk your neck killing some blacks, would YOU pick four little girls in Sunday School? Faced with the certainty of a National outcry and FBI investigation, would you run all the risks to bomb little kids, ----OR WOULD YOU MORE LIKELY PICK MARTIN LUTHER KING OR SOME OTHER VICIOUS BLACK LEADER?

A white bomber would have everything to lose and nothing to gain by bombing those little girls in a church.

But can you think of a BETTER place to ... bomb or better VICTIMS to bomb, --if you were a COMMUNIST out to win SYMPATHY?

Reds Seek Victory At Any Price

It would be difficult to believe that even a gang of Communists could be so ruthless and evil,

if we didn't have their long, long record of utter RUTHLESSNESS. Time after time, they have shot and murdered their OWN PEOPLE in "bloody-shirt" operations all over the world.

The ONLY ones to gain from that bomb were the black "revolutionists". The White Segregationists have been blown almost out of action by it. The Whites and anti-communists are STILL too disorganized and confused even to mention that it might NOT have been a White bomber!

If you STILL doubt who did it, look at the front page of the rottenest sheet in America, the Communist "Worker"!

The reds are ATHEISTS who HATE RELIGION, and call it the "opium of the people". In Spain the Reds burned the churches, raped and murdered nuns, relieved themselves on altars and shot the Priests. Yet here we have this religion-hating gang making a CHRISTIAN CROSS OUT OF THEIR FRONT PAGE!!! How unspeakably vile! And in the midst of this unmatched hypocrisy, the reds now demand the arrest and execution, -AS "HATE-BOMBERS", -of Governor Wallace, the members of the NSRP, the John Birch Society and myself! --Because we are all accomplices of the bomber, -of course!!

All of this is personally familiar to me.

I've been through it all before.

The Atlanta Bombing

In October, 1958, I was organizing the National Committee to Free America from Jewish Domination. We had pulled off a successful, three-city picketting against Jewish agitation in Washington, Atlanta and Louisville. We were gaining adherants, support and strength.

Suddenly a synagogue in Atlanta was bombed.

My pickets in Atlanta were seized and put on trial for their lives! I was headlined across the Nation as the mastermind of a BOMBING RING, -and a gentle, harmless man named Harold Arrowsmith was smeared as the "fat-cat" or money-bags of this bombing ring!

My home was bombed, with a cherry-bomb landing right on my little four-year-old Jeannie. My wife was brought to tears day and night by filthy, threatening phone calls. I lost my income, my home and finally had to send me dear family to safety in Iceland, -where my wife lost faith and I lost my whole family.

The whole thing made me so mad I didn't care any more about anything except FIGHTING this kind of national LYNCH mob. I defiantly formed the American Nazi Party, swastika and all, to fight these villains with every ounce of energy and intelligence I possessed.

After some of the rottenest attempts at framing you can imagine in Atlanta, my pickets were cleared by the jury of all charges in less than ten minutes!

The President of the USA and everybody on down had declared their undying determination to find and punish the bomber, -just as they are doing now.

But as soon as they had smashed our upcoming movement with the bombing charges, and we were all broke and exhausted from defending ourselves from the electric chair, -----the whole thing was DROPPED!

Meanwhile, we had discovered the damning facts which clearly pointed the finger of guilt at a man named L. E. Rogers.

Rogers had joined my group in Atlanta and frequently suggested the men should bomb a synagogue. (We were unorganized in those days, and I didn't know what to do about such people. Today, the moment anybody mentions ANY crime, especially a bombing, I call the FBI and TURN THEM IN. But then, everybody felt like it would be some kind of "treason" to turn in our own people and all we had to do was ignore such stupid talk.)

Rogers often boasted that he ran a Negro employment agency and could easily get dynamite and experts to use it.

After the bombing in Atlanta, Rogers appeared in the witness stand testifying that my friends were bombers! He admitted that he was a PAID AGENT of the ANTI-DEFAMATION LEAGUE OF B'NAI B'RITH!

Further cross examination showed that the ONLY clue as to the real identity of the Atlanta bombing was a service station attendant who was on duty the night of the bombing only a few blocks from the synagogue. He testified that, just a few minutes before the bombing, TWO NEGROES DROVE UP IN AN OLD CAR AND ASKED THE WAY TO THE SYNAGOGUE!!!

The attendant then identified a photograph and an actual door of the automobile they were driving. THE CAR BELONGED TO A MR. L. E. ROGERS!!!!

But nobody cared about such solid evidence. For five long years, I have been unable to get ANYBODY to go after the REAL Atlanta bomber. Once the job was done, the matter was dropped, --and L. E. Rogers has DISAPPEARED!

We later learned that the Atlanta bombing occurred at the precise place in the synagogue where they were planning an addition, and the wall would have been torn out! Even more interesting, the Rabbi made a speech in Chicago in which he boasted that the bombing "fortunately" happened precisely at the start of the drive for funds by the Jewish "defense" agencies like the ADL of B'nai B'rith! "It started us off with a 'bang'!" -as the Rabbi actually put it!!! He went on to boast that the bombing helped produce funds as NEVER before! "They POURED in!" -he gloated!

I complained to the FBI, and they dutifully called on me. But remember, -the FBI can only REPORT facts to Bobby and the President. They can't DO anything at all, not even make an arrest. If the Justice Department, which is simply CRAWLING with Jews, wants to "sit on" a case, it is easy. Just as in the "prosecutions" of the Communist Party, they take their time, or do nothing.

The sad and bitter thing about all this is the fact that the American White Man is so easy-going, so decent and innocent that you can TELL him exactly what the reds are doing to him, but it all seems so far-fetched and outlandish to him that he thinks YOU are some kind of "agitator" for even talking of such things. This placid, cow-like disposition of the White Man will be his downfall unless we can somehow SHOCK him into a realization of what a SUCKER he is for such things as the communist "bloody-shirt" bit. That is one of the reasons for our use of the swastika and the name Nazi. It works!

A Bigger Bomb Than Birmingham

One of the fundamental tenets of Communist revolution is that the FINAL source of all authority and power in any nation lies in the ARMY. The Communists preach, correctly, that he who controls the Army, can control the nation. The reds, therefore, work tirelessly to win control of our Armed Forces, especially the Army.

Back when Ike was President, the same General Marshall who disarmed the whole anti-communist Chinese army with a "stroke of the pen", as he put it, made a Hungarian Jewish woman his Assistant Secretary of Defense for Manpower (!). This Anna M. Rosenberg was identified under oath to the Congress as a member of the communist organization in New York City. She then claimed she was a DIFFERENT Anna M. Rosenberg, --and the Congress pretended to believe her!

BUT I MYSELF WENT DOWN TO THE LIBRARY OF CONGRESS, AS YOU CAN, AND GOT COPIES OF THE COMMUNIST MAGAZINE, "NEW MASSES", --WITH ARTICLES BY ANNA M. ROSENBERG, --WITH HER PICTURE SO YOU CAN IDENTIFY HER. IT IS THE SAME WOMAN RECOMMENDED BY IKE AND TRUMAN AND INSTALLED IN THE NUMBER TWO SLOT IN OUR DEFENSE DEPARTMENT BY GEORGE ATLETT MARSHALL!!!!!!!!

Anna Rosenberg promptly had all the Christian crosses yanked out of our military cemetaries all over the world because it showed the great lack of Jewish stars. They were replaced with common little blocks of stone which didn't "discriminate".

But that wasn't her MAJOR job. Anna's placement in a MANpower position was no accident. For it was this Hungarian Jewess who COMPLETELY INTEGRATED OUR ARMED FORCES.

She rammed Negroes down the throats of the Services until they are the MOST integrated segment of our society today!

This next fact should scare Americans out of their wits! Between 30 and 50 per cent of applicants for the Armed Forces are now BLACK!

This should cause no surprise, when it is remembered what a BALL Negroes have as members of the Armed Forces. They are not just "equal", by orders of the Commander in chief, --they are the MOST equal! Everybody is scared to discipline or interfere with a Negro, for fear it will be called PREJUDICE, "discrimination", -HATE! Negroes by the hundreds swarm into Germany where they get all the "taste of honey" they want, with their American privileges and money. There are already more than HALF A MILLION unwanted, illegitimate mulattoes in Germany today! And that's just the illegitimate ones. Tens of thousands of blacks are strutting home with beautiful White German girls as their "brides". When I was a C.O. in Ice-

land, I used to watch these arrogant black soldiers flying through on the way to the States every day with their white girls! Hundreds and hundreds of them. It is no wonder that blacks are FLOCKING to the services. It is heaven, for them.

In spite of all this, the Services are not "mixed" enough to suit the black revolutionists. To keep the black vote which put him in office, President Coon-ady ordered MORE integration in the Armed Forces, and appointed a Commission to plan it. The Commission is called the Gesell Commission, but the KEY member is a Jew lawyer named ABE FORTAS.

Mr. Fortas' record is interesting.

Fortas is regularly the LAWYER FOR THE COMMUNIST PARTY!

Abe, it seems, also performed a sterling service for his Country once before. He was on the Commission, along with identified Soviet traitors Harry Dexter White and Alger Hiss, which was set up to write the U. N. CHARTER!

Considering this fact, it is not surprising that the report masterminded by Mr. Fortas is LOADED with provisions for setting up a SOVIET STYLE ARMY! It actually calls for the establishment of POLITICAL OFFICERS in each military command who are NOT RESPONSIBLE to the Commander, -but to a special political group in Washington which is "sensitive" to racial questions! This is precisely the arrangement in Communist Armies, where the "sensitive" officer is called a "COMMISSAR"!!!!

Commanding officers would no longer be graded on their performance of MILITARY duty, but on their efficiency as POLITICAL AGENTS in brow-beating surrounding civilians into race-mixing and communist "equality".

Every promotion board will be heavily loaded with Negroes and race-mixers, and officers who do not accomplish a lot of new race-mixing, or who are not Negroes, -will have a hard time making first lieutenant.

The report masterminded by Abe Fortas shows that the Armed Forces are becoming black at an alarming rate, -and they will now be accelerated enormously. Negroes are being PUSHED into the higher ranks, especially, to "equalize" things.

Washington, D. C., gives any thinking person a perfect, classic example of what happens when the blacks really move in. When the blacks move in anywhere in large numbers, THE WHITES MOVE OUT! No amount of propaganda or brotherhood baloney can keep the Whites from RUNNING when the blacks move in. All over this poor, confused Nation, whenever the Negroes get "equal" someplace, the Whites abandon that place to the blacks. The Negroes call this "de facto" segregation, and, all over the North, are trying to force school boards, for instance, to carry bus-loads of White Kids BACK into the colored sections they have moved out of to "correct" the "racial imbalance".

Knowing this as a FACT, it is not hard to see the predictable result of MORE blacks pouring into our Armed Forces. Already I know of cases where good fighting men have quit the Services because of what they call the "nigger situation". When the percentage of blacks zooms up as Mr. Fortas plans, we will have a mass exodus of Whites from the Armed Forces. And the exodus will "feed on" itself. The faster Whites leave, the faster MORE Whites will leave, --until that terrible day when our Services are actually BLACK! --as Washington is now BLACK.

On that day, American, you better begin to be SCARED! I am, already.

As already pointed out, ultimate authority and power in a Nation lies in the ARMY. Until now, and for a while yet, the reds could never succeed with an open revolution here because the Army would quickly put it down. And most of the Army would never obey orders by disloyal officers to attack our own government, as they do in the "banana republics".

But on the grim day when the armed might of the United States is in the hands of men like Martin Luther King, James Baldwin, A. Phillip Randolph, Bayard Rustin, John Lewis, and the rest of these slick blacks, it will be ALL OVER for our beloved Republic and our White Race!

Time Is Running Out

That day is not far off. Every hour it is nearer, -yet "patriots" like Robert Welch cannot even DEAL with the problem because they are afraid to bring up the "race" question. Mr. Fortas is not afraid to deal with it. He is setting up an army of NEGROES, ARMED with the most deadly weapons in the history of humanity. If Mr. Welch, -and millions of Americans, do NOT start to face the RACE problem, they will soon face a black, communist army!
